Fabric awnings are external fabric window coverings. They can also be fitted to patios for soft sun protection. They are used to control light, radiant heat, weather, and privacy.

Special features of our Fabric Awnings include:

- Wide range of styles and operation eg: folding arm, winder, channel, automatic, and track guided systems
- Motorised controls and weather sensors available on some styles
- Fabric including traditional canvas, woven acrylics, sunscreen mesh, and cafe PVC
- Most styles are retractable or roll up
