

Shower Screens

Shower screens are custom designed glass stalls, individually measured, designed and installed to maximise the containment of water. Manufactured in clear or tinted laminated glass or in clear, tinted or frosted toughened glass, and either framed in powder coated aluminium or made frameless for a sleek minimalistic look.

Advantage can manufacture and install a shower screen that highlights your bathroom and enhances your décor.

Special features of our Shower Screens include:

- Styles include fixed panel, triple front, pivoting or frameless
- Matching mirrors can be matched for a fully co-ordinated look
- Return styles include half, full, angled or right-angled
- Choice of laminated or toughened glass
- Glazed to Australian Standard requirements
- Clear, tinted or frosted
