Roller Blinds

Huge Variety for a Classic Favorite

Special features of our Roller Blinds include:

- Chain Control or Spring Operation
- Selection of bottom finishes
- A compact and streamlined design
- A range of blackout and translucent fabrics
- A range of sunscreen fabrics
- Optional motorisation
- Easy removal of blind for cleaning
- Ability to link multiple blinds together in order to minimize gaps, cover larger areas, and reduce number of controls
- A cassette, or pelmet, is available in a range of colours
- Media Blinds for total blackout

Custom Made For A Perfect Fit

Vertical Drapes

Special features of our Vertical Drapes include:

- 2 blade widths: 127mm and 89mm
- Blades can be drawn to the left, right, each side or to the centre
- Controls can be on either side
- Available with or without traditional bottom chain
- Fabrics range from translucent to blackout

Panel Glides

*Create Your World
Of Style*

- Wand control
- Can stack to the left, right, centre, or each side
- Choice of battens; aluminium, timber
- Can match to our Roman Blinds
- Panel size and number can be tailored to suit
- Range of sunscreen and privacy fabrics

Veri Shades

Veri Shades are a new window furnishings range that combines the sophistication, softness and style of curtains with the versatility of vertical drapes.

- Soft and silent with no cords, weights or connecting chains
- Able to be open or closed, opaque or translucent via wand operated controls
- Individual curved fabric folds allow for walking through the blind, even when closed
- Child and pet friendly with no cords to tangle
- High quality, easy care fabrics
