

# 7mm Diamond

7mm framed aluminium grille provides excellent protection on door and window openings, in the popular diamond pattern. Many doors and grilles may look like security, but not all are manufactured to the strength and standard we take pride in.

Special features of our Diamond Doors and Grilles include:

- Standard 7mm thickness
- Tempered aluminium
- Meets the shear strength requirement of Australian Security Door Standard AS2803
- 7 year guarantee on diamond grille
- Fixed, sliding, or hinged operation
- Options for triple-locks, snib guards, door closers, one-way vision mesh, superfine screen mesh, paw proof mesh, dog and cat doors
- Each door and grille is custom made for optimum fit
- Includes standard fly mesh. Other meshing options are extra
