

Crimsafe

The Crimsafe system provides stronger than Australian Standard security with patented stainless steel mesh, rather than with grilles or bars. The woven Crimsafe mesh provides for security and bug protection without blocking your view. Crimsafe security doors and grilles are stronger than standard diamond security.

Special features of Crimsafe include:

- Screw clamped for additional security
- Clear visual view of the outside
- No need for grilles or bars
- Woven, powdercoated stainless steel mesh
- Suitable for doors, windows and patio enclosures
- Safe-S-Cape system for fire escape
- 10 year written warranty
- Triple locks standard on all doors
- Exceeds the the Australian Standards for Security Doors and Grilles
